## 径違いチー

単位:mm

| 呼び径   | L <sub>1</sub> | L <sub>1</sub> ' | L <sub>2</sub> | L <sub>2</sub> ' |
|-------|----------------|------------------|----------------|------------------|
| 20×13 | 39             | 36               | 38             | 33               |
| 25×13 | 47             | 42               | 47             | 33               |
| 25×20 | 47             | 46               | 47             | 38               |
| 30×13 | 53             | 46               | 53             | 33               |
| 30×20 | 53             | 48               | 53             | 38               |
| 30×25 | 53             | 47               | 53             | 47               |
| 40×13 | 61             | 51               | 63             | 33               |
| 40×20 | 61             | 53               | 63             | 38               |
| 40×25 | 61             | 54               | 63             | 47               |
| 40×30 | 61             | 53               | 63             | 53               |
| 50×13 | 67             | 55               | 71             | 33               |
| 50×20 | 67             | 57               | 71             | 38               |
| 50×25 | 67             | 58               | 71             | 47               |
| 50×30 | 67             | 61               | 71             | 53               |
| 50×40 | 67             | 66               | 71             | 63               |
| 60×20 | 76             | 64               | 86             | 38               |
| 60×25 | 76             | 66               | 86             | 47               |
| 60×30 | 76             | 68               | 86             | 53               |
| 60×40 | 76             | 70               | 86             | 63               |
| 60×50 | 76             | 72               | 86             | 71               |
